

Honor Code

For the duration of my mission as a T.I.M.E. traveler, I agree to live by the following Honor Code of T.I.M.E. International.

- I agree to submit myself to the established leadership of Teens In Mission Evangelism International and the regulations and guidelines of accountability they adopt, understanding these may change as situations change.
- I agree to practice biblical principals of conduct and conversation,
- I agree to apply biblical truths when resolving conflict.
- I will be faithful in praying and consistent in studying the Word of God.
- I will make it a priority to serve others first, before myself.
- I consider serving in this ministry a privileged call from God. I aspire to devote the best of my talents and abilities to support the ministry to T.I.M.E. International without compromise or complaint.

I believe Jesus Christ gave the ultimate gift of life to me through His death. My life belongs to Him. As a member of T.I.M.E. International, I take the Great Commission as a personal call. Realizing that love exalts others, my mission, while on this trip is to seek opportunities to serve God and others in order to share this gracious gift.
